VINTAGE REPORT

A dizzying year, after an extremely dry autumn and winter, the rains arrived by the end of it, and continued strongly during the spring until they reached a sufficient quantity, and highly expected after 5 consecutive years of strong drought. An unbeatable summer, made us anticipate a "textbook" 2018 vintage, from which we expected a "mythical vintage". But finally, that great vintage will remain only in the quality part because, unfortunately, we were affected by a strong and unusual hail that significantly reduced the production. But being positive, this will result in wines of excellent concentration and character.

TASTING NOTES

Colour:

Medium-high depth, with deep, cherry-red colour and blue rim. Bright and crystal clear with marked, tinted tears.

Nose:

Powerful bouquet of white flowers (honeysuckle, nettle and birch flower) with touches of French patisserie, and a toasted flavour from the oak that blends perfectly with the touch of pastrie.

Palate:

Silky, rounded and very fresh, full-bodied and with no sharp edges, but at the same time showing great backbone and above all its freshness in spite of its maturity. Fine and elegant finish.

Food Pairing:

Ideal for accompanying Japanese dishes such as Yakitori and Teriyaki. A good match for dry fish such as monkfish or gilt head fish. It makes a good accompaniment to white meat and is perfect for drinking with mild cow's and sheep's milk cheeses.
